

## DT 1800D

### Technical Data Tehnički podaci

|                                                   |                   | DT 1800D               |
|---------------------------------------------------|-------------------|------------------------|
| Safe working load<br>Nosivost                     | KG                | 1800                   |
| Lifting speed<br>Brzina dizanja                   | m/min             | 7                      |
| Lifting group<br>Grupa dizanja                    |                   | A4                     |
| Weight of the hoist<br>Težina dizalice            | KG                | 108                    |
| Electric motor<br>Elektro motor                   |                   | threephase<br>trofazni |
| Power<br>Snaga motora                             | kW                | 2,8                    |
| Voltage<br>Napon                                  | V                 | 400                    |
| Frequency<br>Frekvencija                          | Hz                | 50                     |
| Intensity of current<br>Jačina el. stuje          | A                 | 9,6/5,5                |
| Rotor shaft angular speed<br>Broj obrtaja vratila | o/min             | 1400                   |
| Reduction ratio<br>Redukcioni odnos               |                   | 1:48,5                 |
| Non-rotating wire rope diameter<br>Prečnik sajle  | mm                | 9                      |
| Maximum breaking load<br>Maks. prekidna sila      | kN                | 56                     |
| Rope grade<br>Sila pucanja sajle                  | N/mm <sup>2</sup> | 1960                   |
| Length of the rope<br>Dužina sajle                | m                 | 25x2                   |
| Max length of the rope<br>Maks. dužina sajle      | m                 | 30x2                   |

### Hoist dimensions Dimenzije dizalice

|                  |    |     |
|------------------|----|-----|
| Length<br>Dužina | mm | 720 |
| Width<br>Širina  | mm | 320 |
| Height<br>Visina | mm | 570 |

### Lifting accessories Dodaci za dizanje

|                                                         |   |
|---------------------------------------------------------|---|
